

UIF CONTRIBUTION LIMIT INCREASE – EFFECTIVE 1 JUNE 2021

I was notified late last night by National Treasury that the monthly UIF Contribution limit has been increased to R17 712 per month, effective from 1 June 2021.

The monthly contributions limit value is now the same as the monthly benefit limit value, and over time will help to stabilise the Fund financially.

Treasury apologised for the late notification and regrets the pressure placed on payroll suppliers and employers to implement this change in such a short space of time.

When the Gazette is published, it will be No. 44641.

For a background to the increase, refer to:
